

An international journal covering the management of weeds, pests and diseases through chemistry, biology and biotechnology

FREE site-wide web access to the electronic form of this journal is provided with a full-rate institutional subscription. See [www.rsc.org/ejs](http://www.rsc.org/ejs) for more information

## CONTENTS

- 226 **Company news** – reports on mergers, collaborations etc.
- 227 **Regulatory news** – news of regulatory affairs etc.
- 228 **R&D news** – news on new and developing products etc.
- 230 **Biotechnology news** – news on developments in genomics etc.
- 231 **Rodenticides – indispensable for safe food production** – the work of the Rodenticide Resistance Action Committee (RRAC)  
Stefan Endepols
- 233 **Operator exposure to pesticides** – minimising exposure to pesticides at various stages of use  
Graham Matthews
- 238 **ECPA turn 10 years old** – how the past has shaped the future challenges  
Friedhelm Schmider
- 241 **New modes of action of insecticides** – the development of new insecticides based on novel modes of action  
Ralf Nauen and Thomas Bretschneider
- WILDLIFE MANAGEMENT**
- 246 **Designer molecules for non-lethal pest management** – molecular modelling in the exploitation of natural products for wildlife management  
Richard Watkins and Nick Price
- 249 **Wildlife management in Australia** – controlling rabbits and foxes down under  
Hamish Kidd
- 250 **Development of chemistry-based tools for wildlife damage management** – managing pest wildlife with toxicants, infertility agents, attractants, repellents etc.  
John J. Johnston
- 254 **Applications of RFID (radio frequency identification) in agriculture** – a novel automated method of data capture and transfer  
Adrian Watts, Paul Miller and Dick Godwin
- 259 **The last Brighton** – a conference report  
Brian Hicks and Hamish Kidd
- 261 **Australian attitudes to GM food and crops** – changes in public attitudes to GM technology  
Craig Cormick
- 264 **Controlling the red-legged earth mite** – combatting this pest in Australia with a single spray in spring  
Louise Lawrence
- 266 **The Voluntary Initiative** – progress on the Crop Protection Association's 5-year package of measures to reduce the environmental impact of pesticides  
Hamish Kidd
- 270 **Caffeine – bad for slugs, good for the environment?** – a viewpoint on recent claims  
Louise Simms and Michael Wilson
- 272 **Calendar** – dates and venues of forthcoming events
