

An international journal covering the management of weeds, pests and diseases through chemistry, biology and biotechnology

OUTLOOKS ON PEST MANAGEMENT

CONTENTS – APRIL 2009

- 50 **Editorial** – *Will President Obama be good for agriculture?* – Roger Turner
- 51 **Gardeners and gardening trends in the United States** – *Amanda L. Matheny, Jon Traunfeld, Michael J. Raupp & Amy E. Brown, describe recent trends in gardening practices, pesticide use, integrated pest management and where gardeners obtain information in the USA*
- 57 **Regulatory news** – *New registrations, environmental effects and withdrawal.*
- 61 **The state of the art of integrated pest management in apple orchards** – *Jerry Cross & Angela Berrie describe how IPM systems have improved control of a wide range of insect, mite, disease and weed problems in apple orchards*
- 66 **Seed production and treatment in a changing environment** – Alan Dewar
- 70 **Vector-borne disease in Europe**
- 71 **Biotechnology news** – *developments in molecular biology and genomics*
- 74 **Host plant resistance and IPM in Australian grain crops** – Louise Lawrence
- 77 **Biological pesticides for Africa: why has so little research led to new products to help Africa's poor?** – *David Grzywacz, Andrew Cherry & Roma Gwynn*
- 82 **R&D news** – *reports on new products, new applications and new uses*
- 85 **Agrochemical proprietary off-patent products – what are they?** – *Nigel L Uttley highlights the important influence that Intellectual Property Rights and stringent registration systems have on the balance between proprietary products and generic products and discusses how the proprietary off-patent product sector has developed as a result of these influences.*
- 89 **Orange wheat blossom midge, *Sitodiplosis mosellana*, management** – *Toby J.A. Bruce & Lesley E. Smart describe a sex pheromone based monitoring system for rationalising insecticide use against wheat varieties susceptible to orange wheat blossom midge*
- 93 **Company news** – *reports on mergers, acquisitions, collaborations and sales*
- 96 **Calendar of events**
